## DIY (Do-It-Yourself) Content Management

Whether you have a real estate, automobile, product, employment, or article listing website, we can program your website so that you can securely update components of your website 24-hours a day, 7-days a week from anywhere in which you can get Internet access. With TechConnect.VI's DIY Content Management Systems, non-technical users can easily and quickly update information on their website without learning HTML or fear of ruining the site's design.

<b>DIY General Page Mgt System</b>	<b>SPECIAL: \$350</b> setup price with 1-year of support  [\$200 each year after the 1st year]
